Ronald McDonald House Charities (IRL) TRUSTEES' ANNUAL REPORT

for the financial year ended 31 December 2021

The trustees present their Trustees' Annual Report, combining the Trustees' Report and the audited financial statements for the financial year ended 31 December 2021.

The company is a registered Charity and hence the report and results are presented in a form which complies with the requirements of the Companies Act 2014 and, although not obliged to comply with the Statement of Recommended Practice Charities SORP FRS 102 in accordance with FRS 102, the organisation has implemented its recommendations where relevant in these financial statements.

Ronald McDonald House Charities (IRL) provides accommodation, care and support for families when their children are seriously and long-term ill in CHI Crumlin.

Keeping parents and siblings comfortable and close to the sick child, means the family can stay together, close to the hospital care and medical community that their child needs. By providing accommodation, food and comfort, we nurture and support our families. International research shows that this kind of family accommodation gives sick children and their families a better quality of life, reduces stress and eases financial pressure. We offer a practical support system during a difficult diagnosis or period in treatment.

The company is limited by guarantee not having a share capital.

Mission, Objectives and Strategy

Mission Statement

The mission of Ronald McDonald House Charity (IRL) is to provide a Ronald McDonald House in order to support families whose children are seriously ill in hospital. The Ronald McDonald House provides accommodation and a caring and supportive environment for families whose children are seriously ill and are hospitalised or undergoing medical treatment at CH Crumlin, Dublin 12.

Our Vision

Through our committed Board of trustees, our caring staff, our dedicated volunteers and our generous donors and supporters we aim to provide a caring and supportive environment for families so that they can stay together and be actively involved in their children's care while they are long term in hospital.

Our Values

- Respect: We treat all people with dignity and respect.
- Stewardship: We honour our heritage by being socially, financially and environmentally responsible.
- Ethics: We strive to meet the highest ethical standards.
- Learning: We challenge each other to strive for excellence and to continually learn.
- Innovation: We embrace continuous improvement, bold creativity and change.
- Integrity: We carry out our work with the greatest responsibility and accountability.
- Respect: We respect People, Communities, and Cultures.
- Diversity: We are fully committed to a diverse workplace.

Charitable Purpose

To provide a Ronald McDonald House in order to support families whose children are seriously ill in hospital, which will provide accommodation and a caring and supportive environment for families whose children are seriously ill and are hospitalised or undergoing medical treatment at Children's Health Ireland at Crumlin, or such other future location where treatment may be provided in conjunction with, Children's Health Ireland.

Objectives

To help achieve our overall mission, we have outlined the following objectives:

- To provide accommodation, care and support for families of sick children in their time of greatest need.
- To maintain and continue to develop Ronald McDonald House Charities (IRL) existing fundraising income streams through investment, diversification and growth.
- To maximize the potential of current and new commercial opportunities.
- To create a more efficient, smarter working environment.
- To make Ronald McDonald House Charities (IRL) a more environmentally sustainable organisation.
- To demonstrate Ronald McDonald House Charities (IRL)'s excellence externally through independent accreditation.
- To enable our leaders, managers and staff to realise their individual potential and the role they play in the delivery of our objectives.

Structure, Governance and Management

Structure

Ronald McDonald House Charities (IRL), founded in 1997, is a charitable company limited by guarantee. The company does not have a share capital and consequently the liability of members is limited, subject to an undertaking by each member to contribute to the net assets or liabilities of the company on winding up such amounts as may be required not exceeding one Euro (€1).

The Charity was established under a Constitution which established the objects and powers of the charitable company, how it is governed and is managed by a Board of Trustee (Constitution amended 2019).

Ronald McDonald House Charities (IRL) is governed by a Board of Trustees. The composition of the Board is kept under review to ensure that it contains an appropriate mix of skills and characteristics and complies with our Ronald McDonald House Charities (IRL) License. All Trustees act in a voluntary capacity. No member of the Board receives any remuneration or expenses. The Trustees bring a wide range of experience: medical, corporate & financial. The Board delegates the day to-day management of Ronald McDonald House Charities (IRL) to the Senior Leadership Team which comprises the CEO and the CFO. The Board is the governing body, the leader and steward of Ronald McDonald House Charities (IRL). Serving on it is considered an honour and members demonstrate a commitment and eagerness to serve based on great enthusiasm and a full understanding of the job.

Legal duties of RMHC Ireland

The Ronald McDonald House Charities (IRL) have a combination of statutory and operational responsibilities. Those that can be considered "statutory" include financial and employer's legal responsibilities as well as the Trustees responsibilities as set out in the Charities Act. Those considered "operational" include the planning of the programme, the culture of the organisation, the organisational structures and implementation of the agreed plans.

Ronald McDonald House Charities (IRL) legal responsibilities may be summarised as:

- To act in the best interests of the charity;
- To ensure the charity is run to the highest governance standards;
- To ensure that the charity complies with on-going legal responsibilities of the Charities Act 2009 and Companies Act 2014.
- To ensure the charity operates as outlined in our Ronald McDonald House Charities Global operating license and that the charity complies with and follows all Ronald McDonald House Charities Global guidelines.

Governance

The Board

The primary purpose of the Board of Ronald McDonald House Charities (IRL) ("Board") is to ensure the long-term success of the organisation.

It is the Board's role to ensure that Ronald McDonald House Charities (IRL) values, strategy and business model are aligned to the company's purpose to provide accommodation, care and support for families while their children are seriously ill in hospital.

The Board is the primary leadership body of Ronald McDonald House Charities (IRL). It is responsible for overseeing its activities and for the overall governance and stewardship of the organisation. The Board's composition and how it carries out its leadership role sets the standard for the organisation and is key to earning and sustaining the respect and support of key stakeholders, donors and the public at large for Ronald McDonald House Charities (IRL). In achieving this purpose, the Board's role can be divided into duties of performance and of conformance:

Performance

- Provide leadership of Ronald McDonald House Charities (IRL) within a framework of prudent and effective controls, setting the organisation's risk appetite while enabling risk to be assessed and managed.
- Set RMHC Ireland's strategic aims. Set Ronald McDonald House Charities (IRL) vision, mission, values and standards and ensure that its obligations to its stakeholders, including families and donors are understood and met.
- Develop a high ethical standard within the organisation and ensure that Board Members and Ronald McDonald House Charities (IRL) Senior Leadership Team act with integrity at all times.
- Encourage a culture of openness, responsiveness, and accountability.

Conformance

- Safeguard the organisation's assets. Ensure that the necessary financial and human resources are in place for the organisation to meet its objectives.
- Oversee executive performance.
- Ensure that systems are in place to ensure compliance with governance and regulatory requirements.
- Ensure that there is sound investment governance of Ronald McDonald House Charities (IRL) assets.

Ronald McDonald House Charities (IRL) TRUSTEES' ANNUAL REPORT

for the financial year ended 31 December 2021

Composition of the Board and Board Appointments Process

There are eleven members of the Board of Trustees drawn from a broad range of backgrounds. The composition of the Board is kept under review to ensure that it contains an appropriate mix of skills and characteristics and complies with Ronald McDonald House Charities (IRL) License. All Trustees act in a voluntary capacity. No member of the Board receives any remuneration or expenses. The Trustees bring a wide range of experience: medical, corporate & financial.

Trustees are elected at the Annual General Meeting (AGM) of the company and are responsible for the management of the organisation. Other Governance Matters

Accountability and transparency are vital in everything we do. This report incorporates requirements as outlined in the Statement of Recommended Practice for Charities preparing their accounts in accordance with The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019). RMHC Ireland is committed and compliant with the "Charities Institute Ireland" triple lock standards of transparent reporting good fundraising and governance. We are in the process of adopting the CRA Charities Governance code (which was introduced in November 2018 with charities to be fully compliant by 2020) and have already adopted the Guidelines for Charitable Organisations on Fundraising from the Public and the Charity SORP (Standard of Reporting Practice under FRS102).

Review of Activities, Achievements and Performance

The principal activities, achievements and performance of the Ronald McDonald House Charities (IRL) is to provide accommodation, care and support for families when their children are seriously ill in CHI Crumlin.

Ronald McDonald House Charities (IRL) own and operate The Ronald McDonald House and provide accommodation, care and support for 20 families every night while their children are seriously ill in CHI Crumlin. Our families come from across the island of Ireland. In addition to our 20 family bedrooms, we also provide Kitchens, Dining Rooms, TV Rooms, Toddlers' Room, Laundry facilities, Parking, Garden play area for children and outdoor space for parents. Our Cooking4Families Programme allows us to provide a home cooked meal for families every day of the week. This programme is supported by companies, individual and families who have stayed with us. Food and products are also donated to assist with the programme. In 2019 11,700+ meals were delivered by 2,000+ 'Chefs'. In 2021 we had to suspend this service due to Covid regulations.

Investment Policy

The Board's policy in relation to Ronald McDonald House Charities (IRL) is short term investments is any surplus funds in short term deposit accounts with Capital Guaranteed. The policy is to eliminate any risk from short term investment. The charity has no long-term investments. These investments are reviewed quarterly by the Finance, Remuneration & Audit Committee and approved by the Board.

Ronald McDonald House Charities (IRL) TRUSTEES' ANNUAL REPORT

for the financial year ended 31 December 2021

Financial Review

The results for the financial year are set out on page 20 and additional notes are provided showing income and expenditure in greater detail.

Income

Ronald McDonald House Charities (IRL) is 100% funded through fundraising events and donations. The Charity normally does not receive Government funding however in 2021 we received a Covid -19 Stability grant from the Department of Rural & Community Affairs. The Charity was also in receipt of Covid-19 Wage support through the Employment Wage Subsidy Scheme (EWSS) in 2021. Both these supports were very much appreciated.

Income from Charitable Activities

Income from revenue sources amounted to €2,144,230 (2020: €1,663,034) showed an increase of €481,196 (29%) from 2020. The reason for increase is mainly increase in income from fundraising events and donations. Public donations through coin boxes in McDonald's restaurants is down 8% on 2020 due to the continued migration from cash to cashless transactions. This decrease is down significantly from 2020 when people were far more cautious of using money due to Covid however it reasonable to assume it will continue to decrease.

Fundraising Income Specific for New Ronald McDonald House

In 2021 total income received was €494,418 (2020: €295,943). The cumulative funds of €2,598,718 are raised specifically for the construction of our new House due to open in 2024.

Financial Results

At the end of the financial year the company has assets of €12,153,550 (2020 - €10,694,002) and liabilities of €394,404 (2020 - €67,730). The net assets of the company have increased by €1,132,874.

Reserves Position and Policy

A formal policy on reserves was agreed / reviewed at the 3rd March 2021 meeting of the Board of RMHC Ireland.

The Board has set a reserves policy which requires:

- Reserves be maintained at a level which ensures that RMHC Ireland's core activity could continue during a period of unforeseen difficulty.
- A proportion of reserves be maintained in a readily realisable form.
- Reserves above this amount and future additional reserves will be retained for the construction of the new Ronald McDonald House at the site of the new National Children's Hospital due for completion in 2024.

The calculation of the required level of reserves is an integral part of the organisation's planning, budget and forecast cycle.

It takes into account:

- Risks associated with each stream of income and expenditure being different from that budgeted.
- Planned activity level.
- Organisation's commitments.

For 2022, the Board agreed that the most appropriate level of reserves should be kept at the level of €500,000 for the current House located at CHI Crumlin.

Ronald McDonald House Charities (IRL) TRUSTEES' ANNUAL REPORT

for the financial year ended 31 December 2021

Principal Risks and Uncertainties

The Trustees have ultimate responsibility for ensuring that the Charity has appropriate systems of controls, financial and otherwise. The systems of internal control are designed to provide reasonable, but not absolute, assurance against material misstatement or loss. The Trustees have introduced a formal risk management process to assess business risks and implement risk management strategies. This involves identifying the types of risks the Charity faces, prioritising them in terms of potential impact and likelihood of occurrence, and identifying means of mitigating these risks. Trustees have a formal risk management process to assess all risks and implement risk management strategies and mitigation measures. This involves identifying the types of risks that Ronald McDonald House Charities (IRL) faces and rating them in terms of:

- Potential impact
- Likelihood of occurrence
- Current control in place
- Improvement potential

As risks are identified the Risk Team reviews and ranks those risks. Each risk is recorded on the Risk Register under four risk categories: customer, financial, operational and people. The Register includes the detail of the mitigation measures and plan for improvement where required. The Senior Leadership Team and the Risk & Governance Committee review and update the risk register on a quarterly basis and the Board and other Standing Committees review on an annual basis.

Operational/internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects and the requirements for budgets covering all activities. Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to the centre by ensuring all accreditation is up to date.

Reputational Risk

In common with many charities, the company's principal risk is reputational damage. Reputation damage could be caused by an event either within or outside the company's control. In order to mitigate this risk the Charity continues to adopt best practices.

Economic Risk

The ongoing challenge of Covid 19 and the long-term impact of the War in Ukraine on increased inflation and food and energy costs pose serious economic risks.

At the date of signing these accounts the long-term impact on the company of these risks is unknown.

RMHC Risk Register reviewed/updated by Board four times a year. Register addresses the following risks:

- Governance
- Compliance
- Operational
- Financial
- Environmental
- Reputational

Future Developments

The Trustees are not expecting to make any significant changes in the nature of the business in the near future. At the time of approving the financial statements, the company continues to be exposed to the effects of the Covid-19 pandemic which has had a negative effect on its trading activities since the year end and has resulted in a lower than expected level of trading activity since the year end. The war in Ukraine will have an inflationary impact on energy and food costs. In planning its future activities, the Trustees will seek to develop the company's activities whilst managing the effects of the difficult trading period caused the Covid and the war in Ukraine.

- CRA Guidelines for Charitable Organisations on Fundraising from the Public
- Other relevant legislation

Post Balance Sheet Events

The ongoing challenge of Covid 19 and the long-term impact of the War in Ukraine on increased inflation and food and energy costs will continue to pose serious economic risks.

All services have been maintained throughout the pandemic and all recommended protections and procedures have been implemented. The Trustees are confident that the company will continue to be fully operational throughout the pandemic and the challenges we may face as a result of the war in Ukraine and we will continue to provide vital supports to our clients.

There had been no other significant or material subsequent events affecting the company since the year end.

Internal Controls

The Trustees have ultimate responsibility for ensuring that the charity has the appropriate systems of internal controls in place and to monitor their effectiveness. The systems of internal control are designed to provide reasonable, but not absolute, assurance against material misstatement or loss. They include:

- A four-year Impact Strategic Plan ending December 2025 which guides and underpins all activity.
- Annual Business Plan
- An Annual Budget approved by the Board.
- A Corporate Governance Framework. (as outlined by CRA and RMHC Global)

Political donations

The charity did not make any political donations during the financial period.

Sustainability and Diversity

Sustainability principles are embedded into Ronald McDonald House Charities (IRL) and are at the heart of everything we do from our strategy to our policies. Valuing diversity means that we value and respect our employees, our volunteers, our families, our donors and all other stakeholders.

Ronald McDonald House Charities Global

Accounting Records

To ensure that adequate accounting records are kept in accordance with Sections 281 to 285 of the Companies Act 2014, the trustees have established appropriate books to adequately record the transactions of the company. The trustees also ensure that the company retains the source documentation for these transactions. The accounting records are maintained at the company's office at Ronald McDonald House, Our Ladys Hospital for Sick Children, Crumlin, Dublin 12, D12 DY09.

Statement for Revision of the Trustee's Report in accordance with Section 369, Companies Act 2014

The Trustees present their annual report and revised audited financial statements for the year ended 31 December 2021. The Trustees Report as presented in the original financial statements signed on 2 March 2022 and filed with the Companies Registration Office on 26 May 2022 have been replaced for that year. This revised Trustees Report are now the statutory financial statements for that year and have been prepared as at the date of the original financial statements. These revised financial statements do not deal with events since that date. As detailed in Note 3 the company incorrectly disclosed restricted funds of €153,369 for the year as unrestricted funds for the year ended 31 December 2021. The revision to the financial statements corrects this error and correctly states restricted and unrestricted funds. Other than the reclassification and correct treatment of restricted and unrestricted funds at 31 December 2021 there were no other significant amendments made consequential upon the remedying of these defects.

Ronald McDonald House Charities (IRL) TRUSTEES' RESPONSIBILITIES STATEMENT

for the financial year ended 31 December 2021

The trustees, who are also trustees of Ronald McDonald House Charities (IRL) for the purposes of company law, are responsible for preparing the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the trustees as the trustees to prepare financial statements for each financial year. Under the law the trustees have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the net income or expenditure of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice: Accounting and Reporting by Charities;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the relevant financial reporting framework, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees confirm that they have complied with the above requirements in preparing the financial statements.

The trustees are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and net income or expenditure of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and the Trustees' Annual Report comply with Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT

to the Members of Ronald McDonald House Charities (IRL)

Report on the audit of the financial statements

Opinion

We have audited the company financial statements of Ronald McDonald House Charities (IRL) for the financial year ended 31 December 2021 which comprise the Statement of Financial Activities (incorporating an Income and Expenditure Account), the Balance Sheet, the Statement of Cash Flows and the notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102.

In our opinion the revised financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2021 and of its surplus for the financial year then ended; and as at the date the original statutory financial statements were approved by the Trustees;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", as applied in accordance with the provisions of the Companies Act 2014 and having regard to the Charities SORP;
- have been properly prepared in accordance with the requirements of the Companies Act 2014; and
- In our opinion the original financial statements failed to comply with the requirements of the applicable accounting framework by incorrectly including the restricted funds as unrestricted funds.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other Information

The trustees are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the revised Trustees' Annual Report for the financial year for which the revised financial statements are prepared is consistent with the financial statements; and

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

INDEPENDENT AUDITOR'S REPORT

to the Members of Ronald McDonald House Charities (IRL)

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Trustees' Annual Report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of trustees' remuneration and transactions required by sections 305 to 312 of the Act are not complied with by the company. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of trustees for the financial statements

As explained more fully in the Trustees' Responsibilities Statement set out on page 16, the trustees are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITOR'S REPORT to the Members of Ronald McDonald House Charities (IRL)

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Ronald McDonald House Charities (IRL) NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2021

1. GENERAL INFORMATION

Ronald McDonald House Charities (IRL) is a company limited by guarantee incorporated in the Republic of Ireland. The registered office of the company is Ronald McDonald House, Our Lady's Hospital for Sick Children, Crumlin, Dublin 12, D12 DY09 which is also the principal place of business of the company. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the charity's financial statements.

Basis of preparation

The financial statements have been prepared on the going concern basis under the historical cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities accounting standard issued by the Financial Reporting Council including FRS102 "The Financial Reporting Standard applicable in the UK and Ireland" as modified by the statement of Recommended Practice Accountancy and Reporting by Charities effective 1 Jan 2019.

The company has applied the Charities SORP on a voluntary basis as its application is not a requirement of the current regulations for charities registered in the Republic of Ireland, however it is considered best practice.

As permitted by the Companies Act 2014, the company has varied the standard formats in that act for the Statement of Financial Activities and the Balance Sheet. Departures from the standard formats, as outlined in the Companies Act 2014, are to comply with the requirements of the Charities SORP and are in compliance with section 4.7, 10.6 and 15.2 of that SORP.

Fund accounting

The following are the categories of funds maintained:

Restricted funds

Restricted funds represent income received which can only be used for particular purposes, as specified by the donors. Such purposes are within the overall objectives of the charity.

Unrestricted funds

Unrestricted funds consist of General and Designated funds.

- General funds represent amounts which are expendable at the discretion of the board, in furtherance of the objectives of the company.
- Designated funds comprise unrestricted funds that the board has, at its discretion, set aside for particular purposes. These designations have an administrative purpose only, and do not legally restrict the board's discretion to apply the fund.

Income

Income is recognised by inclusion in the Statement of Financial Activities only when the company is legally entitled to the income, the amounts involved can be measured with sufficient reliability and it is probable that the income will be received by the company.

Income from Donated Services & Support Cost

Donated services or facilities are recognised when the charity has control over the item, any conditions associated with the donated item have been met and the receipt of economic benefit from the use by the charity of the item is probable and can be measured reliably. McDonald's Restaurants of Ireland Ltd fundraising Support costs of €22,449. Other fundraising support costs €1,828 for services and facilities and Other Donated Services for house running costs of €15,934 are measured and included in the financial statements on the basis of the value of the gift to the charity. A corresponding amount of €40,211 is then recognised in expenditure in the period of receipt.

Income from charitable activities

Income from charitable activities include income earned from fundraising and charity run events, small merchandise sales and donated money. Where income is received in advance, its recognition is deferred and included in creditors. Where entitlement occurs before income is received, it is accrued in debtors.

Ronald McDonald House Charities (IRL) NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2021

Income from government grants

Income from government and other grants, whether 'capital' or 'revenue grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity is recognised within income from donations and legacies. Grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance and included within income from charitable activities.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Costs of raising funds comprise the costs associated with attracting voluntary income, investment management costs and the costs of trading for fundraising purposes.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its families. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees, costs of legal advice for trustees and costs linked to the strategic management of the charity including the cost of trustee meetings.
- All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage

Employee Benefits

The company provides a range of benefits to employees, paid holiday arrangements and defined contribution pension plans.

(i) Short term benefits

Short term benefits, including holiday pay and other non-monetary benefits, are recognised as an expense in the period in which the service is received.

(ii) Defined contribution pension plans

The Company operates a defined contribution plan. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate fund. Under defined contribution plans, the company has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

For defined contribution plans, the company pays contributions to privately administered pension plans on a contractual or voluntary basis. The company has no further payment obligations once the contributions have been paid. The contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

Ronald McDonald House Charities (IRL) NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2021

Tangible fixed assets and depreciation

Tangible fixed assets are recorded at historical cost or deemed cost, less accumulated depreciation (and impairment losses if applicable). Cost includes prime cost, overheads and interest incurred in financing the construction of tangible fixed assets. Capitalisation of interest ceases when the asset is brought into use.

Freehold premises are stated at cost less accumulated depreciation.

Depreciation is provided on property, plant & equipment, on a straight-line basis, so as to write off their cost less residual amounts over their estimated useful economic lives.

The estimated useful economic lives assigned to property; plant & equipment are as follows:

Buildings freehold	-	2.5%/ 5.55% Straight line
Fixtures, fittings and equipment	-	12.5% / 20% / 25% Straight line

The company's policy is to review the remaining useful economic lives and residual values of property, plant and equipment on an on-going basis and to adjust the depreciation charge to reflect the remaining estimated useful economic life and residual value.

Fully depreciated property, plant & equipment are retained in the cost of property, plant & equipment and related accumulated depreciation until they are removed from service. In the case of disposals, assets and related depreciation are removed from the financial statements and the net amount, less proceeds from disposal, is charged or credited to the SOFA.

Assets carried at cost are also reviewed for impairment whenever events or changes in circumstances indicate the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the assets carrying amount exceeds its recoverable amount.

Stocks

Stocks are stated at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all costs incurred in the normal course of business in bringing them to their present location and condition. Inventories comprise fundraising materials. It is not considered practicable to value inventories of unsold donated goods at the year end.

Debtors

Trade and other debtors are recognised initially at transaction price (including transaction costs) unless a financing arrangement exists in which case they are measured at the present value of future receipts discounted at a market rate. Subsequently these are measured at amortised cost less any provision for impairment. A provision for impairment of trade receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the effective interest rate. All movements in the level of provision required are recognised in the statement of financial activity.

Creditors

Trade and other creditors are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Cash at bank and in hand

Cash at bank and in hand comprises cash on deposit at banks requiring less than three months' notice of withdrawal.

Taxation

No charge to current or deferred taxation arises as the charity has been granted charitable status under Sections 207 and 208 of the Taxes Consolidation Act 1997, Charity No CHY 20037000. The charity is eligible under the "Scheme of Tax Relief for Donations to Eligible Charities and Approved Bodies under Section 848A Taxes Consolidation Act, 1997" therefore income tax refunds arising from sponsorships exceeding €250 per annum are included in unrestricted funds. Irrecoverable value added tax is expended as incurred.

Pensions

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. Annual contributions payable to the company's pension scheme are charged to the income and expenditure account in the period to which they relate.

3. STATEMENT FOR REVISION OF THE FINANCIAL STATEMENTS

The Trustees have revised the audited financial statements for the year ended 31 December 2021. The original financial statements signed on 2 March 2022 and filed with the Companies Registration Office on 26 May 2022 have been replaced for that year. These revised financial statements are now the statutory financial statements for that year and have been prepared as at the date of the original financial statements. These revised financial statements do not deal with events since that date. The original financial statements incorrectly disclosed restricted funds of €153,369 for the year as unrestricted funds for the year ended 31 December 2021. The revision to the financial statements corrects this error and correctly states restricted and unrestricted funds. Other than the reclassification and correct treatment of restricted and unrestricted funds at 31 December 2021 there were no other significant amendments made consequential upon the remedying of these defects.

4. SIGNIFICANT ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of these financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

Judgements and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(a) Establishing useful economic lives for depreciation purposes of property, plant and equipment

Long-lived assets, consisting primarily of property, plant and equipment, comprise a significant portion of the total assets. The annual depreciation charge depends primarily on the estimated useful economic lives of each type of asset and estimates of residual values. The Trustees regularly review these asset useful economic lives and change them as necessary to reflect current thinking on remaining lives in light of prospective economic utilisation and physical condition of the assets concerned. Changes in asset useful lives can have a significant impact on depreciation and amortisation charges for the period. Detail of the useful economic lives is included in the accounting policies.

(b) Providing for doubtful debts

The company makes an estimate of the recoverable value of trade and other debtors. The company uses estimates based on historical experience in determining the level of debts, which the company believes, will not be collected. These estimates include such factors as the current credit rating of the debtor, the ageing profile of debtors and historical experience. Any significant reduction in the level of customers that default on payments or other significant improvements that resulted in a reduction in the level of bad debt provision would have a positive impact on the operating results. The level of provision required is reviewed on an on-going basis.
